

## Badminton Horse Trials 2024

Eco Voltz are pleased to offer the riders and owners at Badminton Horse Trials the opportunity to hire one of our Eco Voltz Electric Bikes to help you get about the event, subject to the organisers rules.

E-Bikes will be available at a pre-arranged collection time from Tuesday 7<sup>th</sup> May until Sunday 12<sup>th</sup> May at 3pm. We anticipate a high demand for our E-bikes, therefore these will be available on a first come, first served basis. These bikes however are for riders or their team members only and due to high demand they may not always be available.

All E-bikes will need to be pre-booked before the event and no later than 1<sup>st</sup> May. They must be used within the rules of the event organiser and must NOT be ridden by persons under the age of 16.

The riding of any bicycle or E-bike is prohibited in the concourse of the Trade Stand area and within the stringing on the Cross-Country course.
